

# Extension Peer Reviewed Publications

## Peer Reviewer Form

---

Author/s, please pre-fill this top section and share with reviewer/s along with your manuscript:

Title:

Document type:

Target Audience:

Name of reviewer:

Due date:

Return the completed form to:

Reviewer/s, please review this manuscript based on the following criteria, and add comments as appropriate:

### **Content:**

Feel free to add your specific comments and/or suggestions in the manuscript

### **Contribution:**

Unique or significant updates/addition on a current topic that contributes to one or more [strategic priorities](#) of Illinois Extension.

Comments:

### **Academic Rigor:**

Credible research- and/or field evidence-based information, followed sound method/s and integrity in transformation of scholarly findings for the target audience.

Comments:

**Audience:**

Appropriate to the target audience, and maybe of interest to wider audiences.

Comments:

**Usefulness:**

Should help target audience make informed decisions effectively.

Comments:

**Readability and References:**

Feel free to add your specific comments and/or suggestions in the manuscript

**Understandability:**

Uses simple and easy-to-understand language

Comments:

**Grammar and mechanics:**

Uses accurate, American English spelling and grammar; short sentences and paragraphs; ideas flow smoothly; directly addresses target audience; avoid jargon.

Comments:

## References and style:

Uses valid and current references and follow appropriate referencing style (Illinois Extension/University of Illinois Urbana-Champaign style would be AP plus serial commas. Include DOI link where available)

Comments:

## Overall Comments:

### Recommendation:

Accept

Accept with Minor Revision

Revise and Resubmit

### Reviewer acknowledgement:

If the manuscript is accepted for publication, please check one of the following.

I approve listing my name in the acknowledgement section.

I want to remain anonymous.

## Thanks for your time and expertise!
